- Doors, hardware and accessories
- Cabinetry and counter tops
- On-site management

# DEDICATION

**Hard work. Dependability. Resourcefulness. Initiative.**

**You-come-first service. Exceptional quality.** | At Shepardville Construction, these hard-to-find qualities are built right into our business. As the last trade on the project, we've learned firsthand what it means to roll up our sleeves to help our customers build thriving businesses and quality properties and maintain on-time production schedules.

## KNOWLEDGE

**Strength with smarts** | Over the last fifteen years, we've learned it takes more than size and strength to become a preferred building partner. It takes smarts, responsiveness and genuine concern for our customers' success. That's why we go the extra mile to make it easy for you to do business with us. When you choose Shepardville Construction for your interior finish carpentry needs, you can count on us to deliver on time, time after time.

# SINGLE SOURCE

**Single-source solutions** | Experience has taught us the importance of responding quickly and deftly to each customer's needs. As your turnkey installer, we never stop looking for opportunities to improve and streamline the purchase, delivery and installation of all kinds of millwork and interior finish carpentry products.

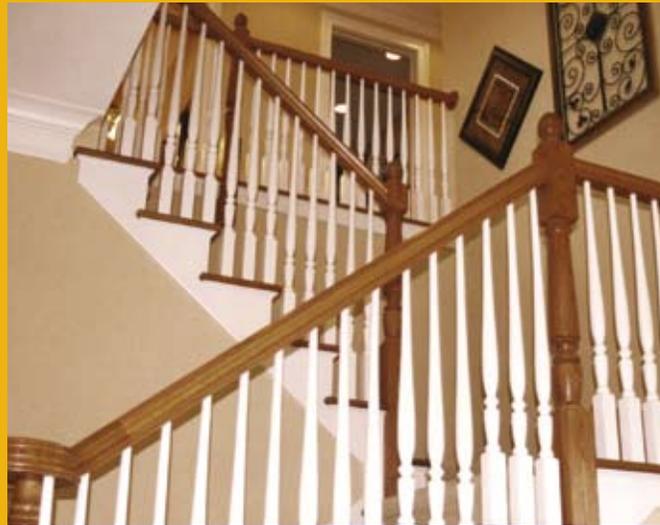

**Savings opportunities** | With Shepardville, you can nail down an affordable price on top-quality doors, frames, hardware, trim, cabinetry, counters and more. As a subsidiary of Universal Forest Products – the nation's largest supplier of manufactured products to the site-built industry – Shepardville Construction has the people and the financial strength to come through for you, no matter what the building market is doing. In addition to the economies of working with an industry leader, you'll find that our best-in-the-business practices will help you cut costs, confusion and delays.

COMMITMENT

*For a beautiful finish,  
build on our experience.*
